About the OCeLC

The Ontario Catholic eLearning Consortium consists of 29 Catholic school boards in Ontario. The primary purpose of the OCeLC is to provide equity of access for Catholic secondary students to take secondary credits developed and taught by Catholic teachers. As such, the Consortium members will collaborate to ensure an equitable distribution and availability of online course offerings across the province.

eLearning Advantage

Access to online learning provides students with a great opportunity to:

- ⇒ Resolve scheduling issues
- ⇒ Learn in a flexible setting
- ⇒ Prepare for post-secondary online learning opportunities
- ⇒ Access & use quality 21st century digital learning tools & resources

Summer eLearning

Summer eLearning is funded by the Ministry of Education through the Correspondence Self-Study Register. Boards unable to run their own programs can register their students in programs offered by OCeLC member Boards. Summer course offerings are posted on the ocelc.org (website) in May.
